**Department of Energy, Rocky Flats Field Office**  
**10808 Highway 93, Unit A**  
**Golden, CO 80403-8200**

Dear Mr Legare

The Colorado Department of Public Health and Environment and the Environmental Protection Agency have reviewed the Draft Final Soil Action Levels Technical Memorandum dated June 24, 2003. The agencies consider it to be a reasonable documentation of how the action levels for accelerated actions that are contained within the Rocky Flats Cleanup Agreement Attachment 5 were selected. The Technical Memorandum also accurately presents the basis for identifying Site-Wide Contaminants of Concern (COCs).

**Please contact us if you have any questions**

Sincerely,

Steven H. Gunderson  
Colorado Department of Public Health  
and Environment
